

### From M1 Motorway, Junction 25 (North and South)

Get off the Motorway at Junction 25 and join the A52 heading towards Nottingham.

Go all the way along the A52 until you get to the QMC Island (this will be the fourth one you come to including the motorway island that you used to come off the M1)

At the QMC Island turn right onto the A52 (you will have the QMC Hospital on your left)

Approx half a mile down the road the lane will split before a flyover, take the left hand lane (do not go over the flyover) and turn left at the island which is under the flyover onto Abbey Road.

Continue down Abbey road for approx half a mile until you come to a t-junction, at the traffic lights turn right onto Lenton Lane.

Approx 1 mile down Lenton Lane you will come to Easter Park on your right. Turn down here and we are on the left hand side as the road veers to the left.

### From M1 Motorway, Junction 26 (North and South)

Get off the Motorway at Junction 26 and join the A610 heading towards Nottingham.

Continue along the A610 Nuthall Road, over two islands, until you come to the signs for the A6514 Western Boulevard. Turn right onto here and follow this road until it becomes the A52, at this point you will have the QMC Hospital on your left.

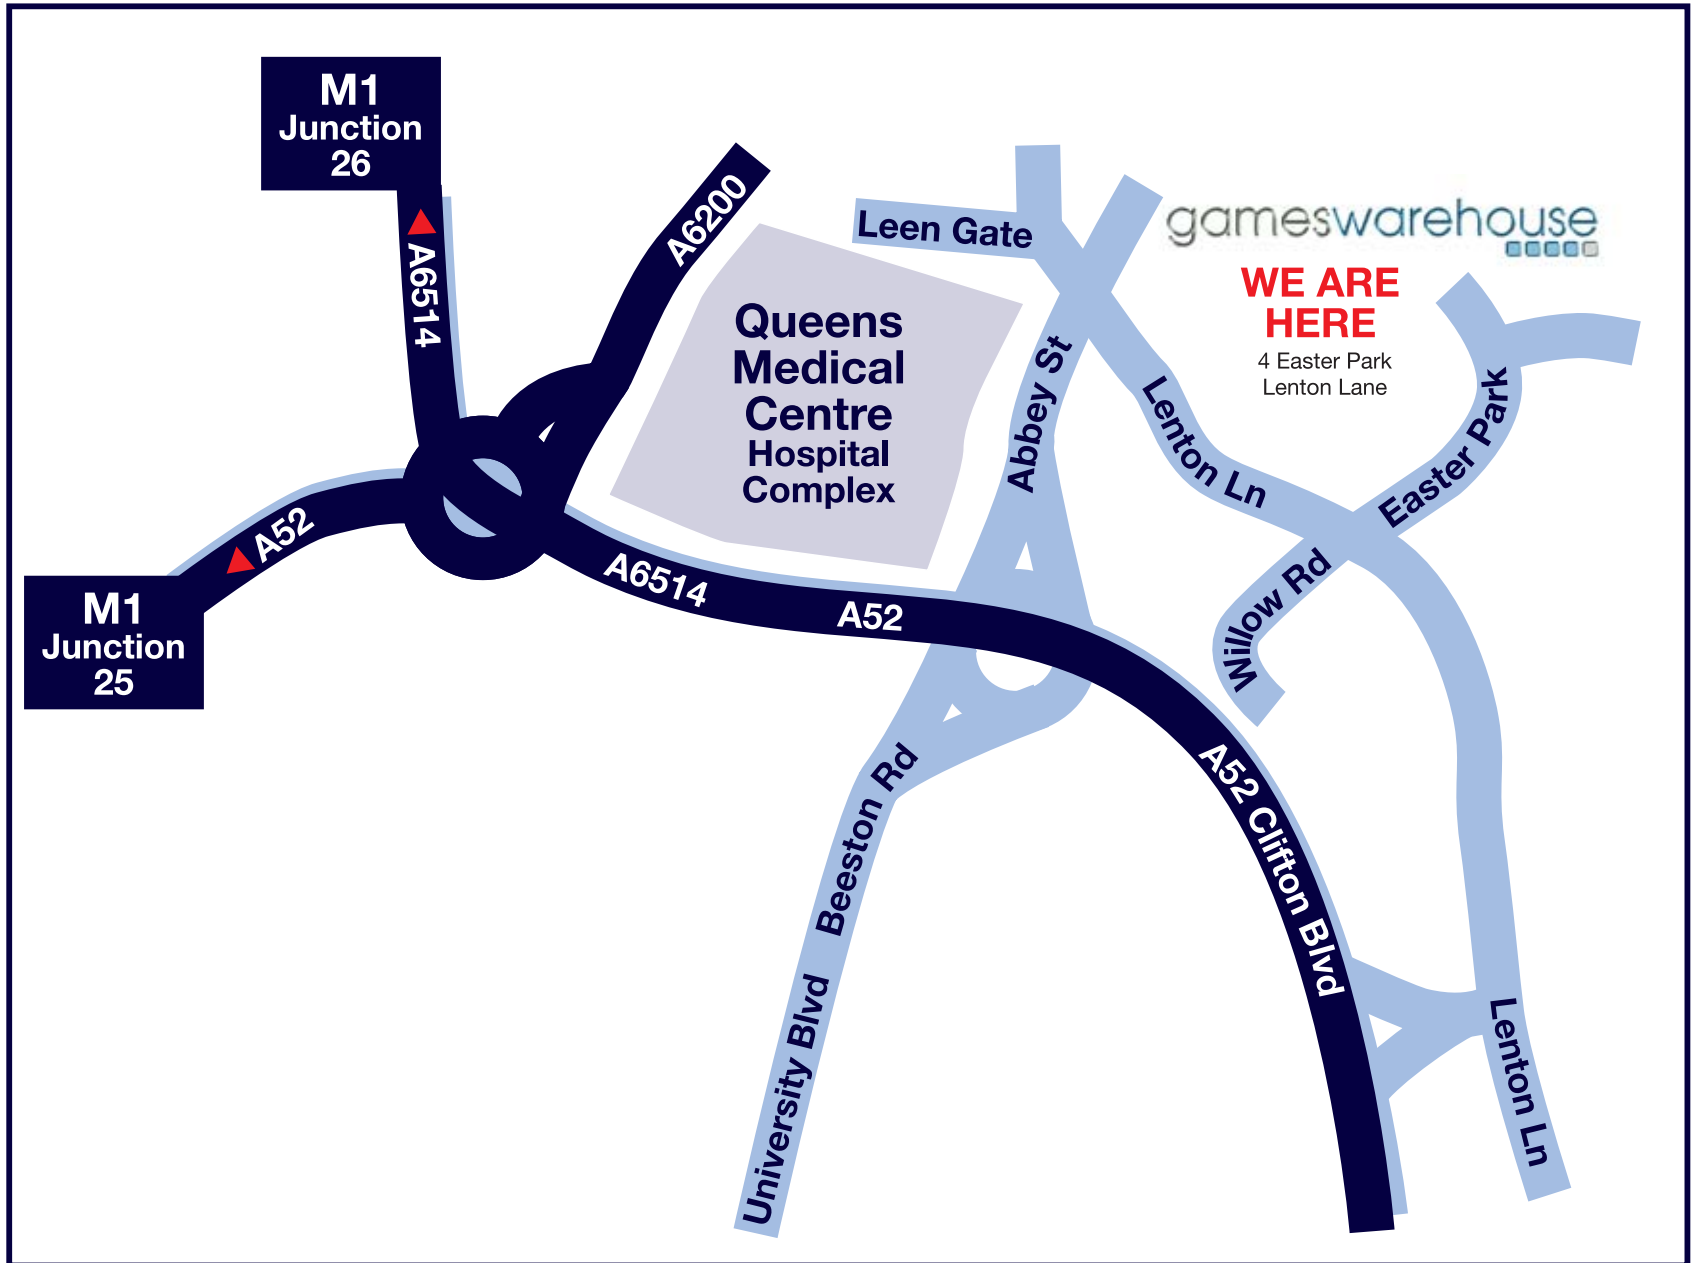

Approx half a mile down the road the lane will split before a flyover, take the left hand lane (do not go over the flyover) and turn left at the island which is under the flyover onto Abbey Road.

Continue down Abbey road for approx half a mile until you come to a t-junction, at the traffic lights turn right onto Lenton Lane.

Approx 1 mile down Lenton Lane you will come to Easter Park on your right. Turn down here and we are on the left hand side as the road veers to the left.

**We look forward to seeing you soon.**
